DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: Reasons for allowance of independent claim 1 are given in the previous office action. The outstanding indefiniteness rejections have been overcome and are withdrawn. Note that the instant claims distinguish over the WO '742 document, listed as an "X" reference in the foreign search report, for the same reasons as given for the equivalent US 2002/0151748 reference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The reference to Cope (4,623,487) discloses a process for recovery of fluorosurfactants.
